CALLING ALL ARTISTS! THE Catholic Education Foundation's Futures' Committee is hosting their annual art event Thursday, **Feb. 8th**, at the Boulevard Brewery. The CEF Art Event offers an exciting evening of music, food and drink as well as the opportunity to view and bid on professional art along with featured CEF student art. All proceeds from this event go to support the CEF Guardian Angel Fund which provides emergency scholarships for families whose children attend designated Catholic schools in the Archdiocese of Kansas City in Kansas. These scholarships help families who have experienced unexpected personal hardships (medical bills, job loss, etc.) that might impact a family's ability to pay their child's Catholic school tuition. If you are an artist, have a connection to an artist or have art you would like to donate, we encourage you to contact us. We accept all forms of art medium (pottery, painting, jewelry, etc.) For additional information, please contact Janet Rethman at jrethman@archkck.org or 913-721-1574. Additional event details are at www.cefks.org.

HUMANAE VITAE 50 YEARS LATER—A SYMPOSIUM AT BENEDICTINE COLLEGE: The theme for the Seventh Annual Symposium on Advancing the New Evangelization at Benedictine College in Atchison, Kansas, "Humanae Vitae 50 Years Later: A Call to Self-Gift," is a call to reflect on and analyze the significance of Pope Paul VI's encyclical and subsequent Catholic thought on issues of marriage and family life. While Humanae Vitae is most famous for its teaching on the use of contraception, the Symposium hopes to address that issue within the context of the vocation to imitate Christ in making a "sincere gift of self." To this end we invite proposals from scholars and professionals in all disciplines that address contraception as well as broader questions related to marriage, family, children, and society.

The Symposium is meant to cultivate reflection and dialogue on issues of great urgency to the New Evangelization. Few events in the modern Church have caused as much controversy and division as the publication of Humanae Vitae. While many have found its teachings to be a great challenge, many have also found them to be a great blessing. For this reason, we issue a "Call for Abstracts" to scholars and professionals, graduate students, lay leaders, and consecrated religious to give serious reflection upon the teachings of Humanae Vitae and the ways in which its teachings are communicated to the contemporary world.

It will be held **March 23-24**. For more information, please visit: <https://www.benedictine.edu/faith-life/symposium/index>

AMAZING PARISH CONFERENCE Registration is now open for our Dallas/Fort Worth conference this coming spring! Parish leadership teams that register by October 6 will save \$250 with the early-bird discount, so register today! Amazing Parish Conference - **April 25-27**, Hilton Anatole Dallas. The Amazing Parish conference is a practical and one-of-a-kind experience for parish leaders. You'll receive first-hand organizational health training from New York Times best-selling author, Patrick Lencioni, and you'll learn from dynamic and engaging presenters. The conference experience is also an opportunity for personal and spiritual renewal with daily Mass, confession and Eucharistic Adoration. Unlike other conferences, an Amazing Parish conference is a workshop-style format so pastors and parish leadership team members can work side-by-side to learn what a parish leadership team looks like, how it operates, and how it can best serve its parishioners. By the end of our time together, you'll have gained knowledge and insight, a clear vision of what leadership can look like at your parish, and how to implement it once you get home. <https://amazingparish.org/amazing-parish-conference-dallas-fort-worth/>

MARRIAGE MINUTE: The Disposition to Listen Research tells us that children develop secure attachments to their parents when their needs are met consistently over a long period of time. This repeated care leaves the children free to learn and grow in a healthy way. As parents, we instinctively know this. Although it is not convenient to answer a child's cries at 3 am, we don't think—we just do it because we know it is important! The same consistent attention is needed for our spouse if our marriage is to be healthy. One need in marriage, especially for wives, is to be heard. We would do well to have the disposition of Samuel in this weekend's readings when he tells God, "Speak, Lord, for your servant is listening!" For practical strategies on how to be a better listener, check out the Every Day in Love Marriage Empowerment Series: www.archkck.org/everyday.

BULLETIN ITEMS: Contact Kim Sachse, 913-775-0690 or email sjslparish@gmail.com. Mass intentions may be scheduled with Kim as well.
