OTHER NEWS IN OUR ARCHDIOCESE

THE PAIN SUFFERED BY THE ABORTED BABY

Proponents of abortion are determined to make sure that the grizzly truths regarding abortion are suppressed and are not revealed to the public and most importantly to pregnant mothers. One of these facts is the overwhelming medical evidence that the child in the mother's womb feels pain when he or she is aborted.

The U. S. House of Representatives has considered legislation to redress this, such as "The Unborn Child Pain Awareness Act" such legislation would ensure that a woman was informed of the pain her unborn baby feels when he or she is aborted. Also, the legislation would have required that the woman considering an abortion expressly request or refuse anesthesia for her baby (to subdue the pain). Tragically, these humane initiatives have failed. It is abundantly clear that abortion supporters want expectant mothers to be ignorant and uninformed. This relates to all aspects of abortion including the medical procedure and its risks, the likely psychological and emotional repercussions to the mother and the pain endured by her child. Women deserve the truth, but the defeat of such legislation helps keep expectant mothers (and society generally) in the dark.

"It is imperative we take appropriate measures to inform every woman who is seeking an abortion of the development of the unborn child to feel pain in her womb We have taken action to ensure that the pain of livestock and laboratory animals is reduced and prevented yet amazingly when it comes to the unborn child, we hesitate." - Representative Virginia Foxx (R-NC)

PRAYER FROM POPE FRANCIS DURING THE CORONAVIRUS PANDEMIC

O Mary, you shine continuously on our journey as a sign of salvation and hope. We entrust ourselves to you, Health of the Sick. At the foot of the Cross you participated in Jesus' pain, with steadfast faith. You, Salvation of the Roman People, know what we need. We are certain that you will provide, so that, as you did at Cana of Galilee, joy and feasting might return after this moment of trial.

Help us, Mother of Divine Love, to conform ourselves to the Father's will and to do what Jesus tells us. He who took our sufferings upon Himself, and bore our sorrows to bring us, through the Cross, to the joy of the Resurrection. Amen.

We seek refuge under your protection, O Holy Mother of God. Do not despise our pleas – we who are put to the test – and deliver us from every danger, O glorious and blessed Virgin.
