## OTHER NEWS IN OUR ARCHDIOCESE

### IF ABORTION IS OUTLAWED, WOMEN WOULD BE FORCED TO UNSAFE BACK ALLEY ABORTIONS

For years, the abortion industry has concocted statistics to frighten people into supporting their agenda. The fact is that every study ever conducted (including figures released by the pro-choice Alan Guttmacher Institute) proves that so-called "back-alley abortions" were extremely rare, prior to abortion being legalized in 1973. Moreover, the idea that women would be forced to unsafe "back-alley abortions" if abortion was again illegal, has now been discredited by an actual "test market" so to speak. For 44 years under Nazi and then Communist rule, abortions were legal in Poland. In 1993, the new freely elected Parliament passed a law forbidding abortion. The media screamed: "You will not stop abortions; they will just go underground and women will be injured and die and there will be a flood of miscarriages".

However, the law was passed and not only did abortions drop precipitously (from around 138,000 to 99 per annum), but none of the ominous predictions of the pro-choice lobby materialized. In fact, quite the reverse is true. Miscarriages dropped from around 59,076 in 1990 to 41,568 in 1999. Deaths due to pregnancy and birth dropped from 70 to 24 and neonatal deaths per 1,000 live births dropped from 19 to 9. Not only did none of the dire predictions materialize, but instead, Polish women are healthier and have fewer gynecological problems than when abortion was legal and common. So here we have a modern, western nation of 40 million people that decided to forbid abortion by law. The result shatters and completely

destroys the long-standing pro-abortion argument about "back-alley" abortions.

**PRAYER FROM POPE FRANCIS DURING THE CORONAVIRUS PANDEMIC**

O Mary, you shine continuously on our journey as a sign of salvation and hope. We entrust ourselves to you, Health of the Sick. At the foot of the Cross you participated in Jesus' pain, with steadfast faith. You, Salvation of the Roman People, know what we need. We are certain that you will provide, so that, as you did at Cana of Galilee, joy and feasting might return after this moment of trial.

Help us, Mother of Divine Love, to conform ourselves to the Father's will and to do what Jesus tells us. He who took our sufferings upon Himself, and bore our sorrows to bring us, through the Cross, to the joy of the Resurrection. Amen.

We seek refuge under your protection, O Holy Mother of God. Do not despise our pleas – we who are put to the test – and deliver us from every danger, O glorious and blessed Virgin.
