CALL TO SHARE:

If you had to identify the most important priorities for the Son of God, Savior of Mankind, to accomplish during his earthly mission, saving a wedding feast by turning water into wine probably wouldn't be at the top of the list. So what is Jesus doing in today's Gospel? Among other things, he's demonstrating that love responds to earthly and everyday needs. It doesn't just look for the big gestures or the grandiose displays—it looks for concrete opportunities. If love is true love, its focus isn't self-aggrandizement, but actually serving the good of the other—like Christ does through something seemingly as mundane as providing good refreshment for the guests at a wedding.

We're called to love like Jesus does: by responding to the concrete needs of our community. Contributing to our Archbishop's Call to Share appeal might not be glamorous or grandiose—but you'll be helping meet the everyday needs of your parish when you do. Ask Jesus to show you how He wants you to love in this way and see where it leads you!

IN case you missed his homily, here's the Archbishop's Homily on Call to Share: <https://archkck.org/donate/about-acts/abhomilyeng/?bblinkid=257393860&bbemailid=37497519&bbeid=2062349071>

SECOND COLLECTION: There will be a second collection on the weekend of Jan. 23rd for the Church in Latin America (CLA). Your generosity is deeply appreciated!

ANTI-CATHOLICISM AND ABORTION

You do not have to be Catholic (or even religious) to know that medical and scientific evidence confirms that what grows in a mother's womb is a new, distinct human being. Moreover, everyone can understand that each human being—without discrimination—merits dignity and respect. At the very least, respecting human life must exclude the deliberate and direct destruction of life—and that is exactly what abortion is. However, the fact is that no institution has stood up against the abortion industry more than the Catholic Church. The Church has consistently and will continue to teach that abortion is evil, whether its words are popular or unpopular, politically correct or incorrect, because the “values” of different cultures may change from time to time, but the truth does not change.

Pro-abortionists disparage Catholicism because it is the bulwark against abortion, just as the communists vilified Catholicism because it was a bulwark against communism. Bernard Nathanson, a renowned and reformed abortionist, admitted that demonizing the Catholic Church was a specific tactic of the pro-abortion movement. He stated, “We systematically vilified the Catholic Church and its 'socially backward ideas'.....We fed the media such lies as 'we all know that opposition to abortion comes from the hierarchy and not from most Catholics'.....and that Catholics in favor of abortion are enlightened and forward looking”. What is even more disturbing about Nathanson's statement is that the pro-abortion propaganda fed to the mainstream media is uncritically accepted by it.

PRAYER FROM POPE FRANCIS DURING THE CORONAVIRUS PANDEMIC

O Mary, you shine continuously on our journey as a sign of salvation and hope. We entrust ourselves to you, Health of the Sick. At the foot of the Cross you participated in Jesus' pain, with steadfast faith. You, Salvation of the Roman People, know what we need. We are certain that you will provide, so that, as you did at Cana of Galilee, joy and feasting might return after this moment of trial.

Help us, Mother of Divine Love, to conform ourselves to the Father's will and to do what Jesus tells us. He who took our sufferings upon Himself, and bore our sorrows to bring us, through the Cross, to the joy of the Resurrection. Amen.

We seek refuge under your protection, O Holy Mother of God. Do not despise our pleas – we who are put to the test – and deliver us from every danger, O glorious and blessed Virgin.

PLANNED GIVING BRIEF: A planned gift is a wonderful way to leave a legacy that will have a lasting impact in line with your faith, values, and ongoing wishes. Planned giving is simply making arrangements in the present for a future gift. Typically, this is done by including a bequest in your will, trust, or by designating your beneficiaries on your life insurance or retirement accounts. Your planned gift to our parish through estate plans proclaims to those you leave behind what you believe in and will deepen your own faith commitment. Your pastor invites you to create a legacy gift, today, that will bear fruit for generations to come. For more information about the benefits of planned giving, visit archkck.giftlegacy.com.
