CALL TO SHARE: The Archbishop's Call To Share campaign is underway, and we are hoping for a successful parish participation outcome. If you did not receive a pledge form in the mail and want to contribute, blank pledge forms are available in the pews. Thank you in advance for your generosity.

The Gospel is the Good News. It shows us the path to everlasting life. But sometimes it does this not just by showing us what to do, but also demonstrating what not to do. Today is a great example. Jesus preaches in Nazareth, where he grew up. The hometown crowd is expecting to hear some inspiring words, and maybe even see some miracles. But that's not what Jesus has in store for them. Instead, he challenges them, pointing to their self-centeredness and their unwillingness to open-up to God. Definitely not the easy message they wanted to hear!

This is a moment of decision for his audience. Do they allow Jesus's hard words to change them, leading to conversion and deeper relationship with God? Or do they put up walls, and respond with anger and stubbornness?

We know how they chose. The challenge for us is to choose differently when we're confronted by a challenging message from Christ and His Church. One of those challenging topics in our parish today is the need to support the Archbishop's Call to Share appeal. It can be easy to react to this conversation by putting up walls or tuning things out. But the parish's needs are real. What's more important than whether we give or not is whether we allow ourselves to be challenged by the invitation to contribute, allowing ourselves to lower our defenses and to prayerfully listen and discern. Try it out today, and see how the Lord prompts you.

CATHOLIC SCHOOLS: Happy Catholic Schools Week! Xavier Catholic School is thankful for our partnership with the local parishes and our community. ABORTION IS A WOMEN'S ISSUE: Those that are “pro-choice” put forward the notion that abortion is the prime example of a “woman's issue”. This not only over-simplifies the issue and is sexist, but it also ignores the biological reality that every time an expectant mother “chooses” to abort her baby, she is also terminating the life of a father's child. This attitude also ignores the vitally important role men play in abortion. The overwhelming majority of people who carry out abortions and make a living from it, are men. Also, the sad fact is that abortion permits men to be sexually irresponsible since they will not get pregnant and the decision to abort precludes them from having to pay child support.

Studies show that abortion is not about a woman's freedom to choose according to her conscience, but most women decide to proceed against their consciences. Statistics suggest that in around 95% of cases, the male partner played a crucial role in the decision and up to 60% of the time, abortions are coerced upon women by dominating or abusive partners. A former security guard at a clinic testified that women were routinely threatened by men, who escorted them to the clinic to make sure they underwent their scheduled abortions. If you have any doubt as to whether abortion empowers women, look at the faces of expectant mothers entering abortion clinics. What you will see is fear, desperation, sadness and resignation. Women deserve better!

PRAYER FROM POPE FRANCIS DURING THE CORONAVIRUS PANDEMIC
O Mary, you shine continuously on our journey as a sign of salvation and hope. We entrust ourselves to you, Health of the Sick. At the foot of the Cross you participated in Jesus' pain, with steadfast faith. You, Salvation of the Roman People, know what we need. We are certain that you will provide, so that, as you did at Cana of Galilee, joy and feasting might return after this moment of trial.

Help us, Mother of Divine Love, to conform ourselves to the Father's will and to do what Jesus tells us. He who took our sufferings upon Himself, and bore our sorrows to bring us, through the Cross, to the joy of the Resurrection. Amen.

We seek refuge under your protection, O Holy Mother of God. Do not despise our pleas – we who are put to the test – and deliver us from every danger, O glorious and blessed Virgin.

PLANNED GIVING BRIEF: A planned gift is a wonderful way to leave a legacy that will have a lasting impact in line with your faith, values, and ongoing wishes. Planned giving is simply making arrangements in the present for a future gift. Typically, this is done by including a bequest in your will, trust, or by designating your beneficiaries on your life insurance or retirement accounts. Your planned gift to our parish through estate plans proclaims to those you leave behind what you believe in and will deepen your own faith commitment. Your pastor invites you to create a legacy gift, today, that will bear fruit for generations to come. For more information about the benefits of planned giving, visit archkck.giftlegacy.com.
