CALL TO SHARE: "What is love?" That phrase isn't just the opening to an early '90s Eurodance song. It's a question that the human heart has asked throughout history. Is it a feeling? A bond experienced between family and friends and romantic partners?

In today's Gospel, Jesus gives us the unique, Christian answer: love gives without counting the cost. It seeks the good of the other without looking for repayment in return. This is the kind of love that Jesus encourages His disciples to have, "for the measure with which you measure will in return be measured out to you.

We're called to love like this in all our relationships. With our spouse, our children, our coworkers, and with others in our community. If you're looking for another concrete way to love—to give without counting the -consider contributing to our Archbishop's Call to Share appeal. Reread today's Gospel and see where the Lord leads you.

PRAYER FROM POPE FRANCIS DURING THE CORONAVIRUS PANDEMIC

O Mary, you shine continuously on our journey as a sign of salvation and hope. We entrust ourselves to you, Health of the Sick. At the foot of the Cross you participated in Jesus' pain, with steadfast faith. You, Salvation of the Roman People, know what we need. We are certain that you will provide, so that, as you did at Cana of Galilee, joy and feasting might return after this moment of trial.

Help us, Mother of Divine Love, to conform ourselves to the Father's will and to do what Jesus tells us. He who took our sufferings upon Himself, and bore our sorrows to bring us, through the Cross, to the joy of the Resurrection. Amen.

We seek refuge under your protection, O Holy Mother of God. Do not despise our pleas – we who are put to the test – and deliver us from every danger, O glorious and blessed Virgin.
