

# *Welcome....*

...to the online home of St Joseph-St. Lawrence Parish.

We're a faith family of 160 households, united in the common quest to live as Jesus taught us each day.

God loved us into being, and we yearn for happiness and fulfillment. Life is filled with peaks and valleys, and our parish family loyally supports us day by day. Throughout the stages of life the Church gives us the stability and encouragement we need to keep moving forward. The teachings and example of Jesus provides us with the pattern from which we live our lives. Our parish seeks to provide its members with what is needed to live an authentic Christian life. Our worship is sincere, and our spiritual formation is inspiring and practical. We also devote ourselves to serving those in need: the hungry, the sick, the poor, the imprisoned.

This website introduces you to our family. You'll find many opportunities here to connect yourself to Christ and to others who, like you, seek to do the right thing and to live life bolstered by friends and neighbors who walk with us along the way. If I can be of assistance, please feel free to contact me. Thanks for visiting, and may God keep you in His special care.

Prayerfully,

*Father Bill*
