Want to be Anointed? The Anointing of the Sick is a healing sacrament of the Church and offers spiritual strength and prayers for healing for the ill or dying. It connects the person to Christ the healer and fosters peace and comfort. Who may be anointed? Those whose health is seriously impaired by sickness or old age. A person may be anointed before surgery. Elderly people may be anointed if they have become notably weakened even though no serious illness is present. Sick children (from age 7 on up) may be anointed. The sacrament, along with the apostolic pardon, is also available to those who may be near death. If you wish to receive the sacrament, please contact me to make arrangements.
